“Knowledge is of two kinds. We know a subject ourselves, or we know where we can find information upon it.” – SAMUEL JOHNSON

Acknowledgements

The California School Library Association thanks the dedicated individuals who worked indefatigably on creating and revising this document, motivated by their belief in strong school libraries and first-rate education for children. Thanks to the visionary guidance of the Standards Task Force chair, Jo Ellen Priest Misakian, and the Standards Task Force committee chairs and subcommittee members listed below, Californians have a blueprint for exemplary school library media programs.
